

Introducing *Photo Fan*TM

Photo FanTM gives you

Hands-Free Field Photos

Turkey Tail Taxidermy

A Real Fan Display for your
Tom Decoy

Just snap the two outer tail quills into one side of **Photo Fan**. Then rotate the turkey fan open and push the other two opposite feather quills into the **Photo Fan** clip area.

Use Photo Fan to dry your turkey tail and then hang it on the wall with **Photo Fan**. It comes with a DVD that will show you how.

**With Photo Fan,
the perfect turkey tail
is a snap!**
